2019 Impact Report

The SFFILM Festival celebrates the world’s finest films and filmmakers. It is also a gathering place for business and cultural leaders with a shared affinity for film and Bay Area values.

Thank you for supporting the SFFILM Festival and also for participating in the Festival’s many screenings, programs, and events. You not only help SFFILM make the Festival happen, but are part of the rich ecosystem at the Festival that make it memorable for so many.
